**8:50 a.m. Dr. Corey Waller discussion: Polly Brainerd**

Polly shared that we have an opportunity to get Dr. Waller on September 28<sup>th</sup>. He has been a plenary speaker at the Michigan SUD conference. Worked with Spectrum Health. Provides a whole health clinic. Pulled to Philadelphia. HE is an amazing speaker and pushes challenges physicians to think differently about addiction. Joel suggested that we find out what they are offering in Montcalm co. and participate if we cannot get him.

**9:00 a.m. Clinton Great Start Strategic Plan Input: Marie Barks**

Marie is the co-chair for the Great Start Collaborative and programming for Early Childhood. They are doing a community scan is the new process for strategic planning. They have gone to different community groups to discuss the four outcomes: children are born healthy, are healthy, thriving, and developmentally on track from birth to third grade, children are developmentally ready to succeed in school at time of school entry, and children are prepared to succeed in fourth grade and beyond by reading proficiently by the end of third grade. We broke into small groups to set priorities for the community scan. Each group reported out their top two priorities. Once she takes this back to Great Start, they will summarize how they came up with the strategies and priorities. The plan goes in to the State consultant August 1<sup>st</sup>. The consultant gives feedback and then the plan is accepted October 1<sup>st</sup>.
